

## Product Datasheet

# Goat Anti-Rabbit IgG (Fc fragment specific) HRP

Catalog No: AB0106

Reactivity: Rabbit

[www.abways.com](http://www.abways.com)

Isotype: Goat IgG

Applications: ELISA WB IHC

### Information

**UniProt ID:** N/A

**All Names:** Fc fragment specific; Goat Anti-Rabbit IgG, Fc fragment specific

**Form:** Liquid

**Storage instructions:** Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

**Storage buffer:** pH 7.4, 150mM NaCl, 50% glycerol.

**Purity:** Goat Anti-Rabbit IgG, Fc fragment specific conjugated to Horse Radish Peroxidase (HRP)

**Immunogen:** Rabbit IgG

**Molecular Wt.:** N/A

### Application

ELISA: 1:5000~1:50000

WB: 1:5000~1:50000

IHC: 1:500~2000

### Background

Goat Anti-Rabbit IgG, Fc fragment specific Antibodies for Western Blotting after IP

**For Research Use Only. Not For Use In Diagnostic Procedures.**
